June 2009

Dear Parents/Guardians,

The new Manchester Township Middle School's Summer Reading List offers a wide variety of engaging titles and is sure to include more than one book that your child might enjoy.

Independent reading is an activity that enriches lives. When students read they are exposed to characters, situations, and settings that may help them to better understand the world in which they live. Reading also keeps young minds active.

Fostering a love of reading can lead to a lifelong commitment. When children read, their vocabulary, writing skills, and their ability to think critically improves.

Upon return in September, your child will have an opportunity to earn extra credit.

We would greatly appreciate your support in encouraging your child to read at least one book from the summer reading list. Of course, reading more than one would be awesome! The more you read, the more you grow!

Sincerely,

The Middle School Language Arts Teachers
